East Coast MARC use YAHOO GROUPS to communicate to our membership.

Your email address will be entered into the group and you will be asked to join. You may elect to receive messages as they appear or get a daily bulletin. Please create a profile on YAHOO GROUPS and register on ECMARC chat room to maintain contact with the group.

You will also get in addition to our own newsletter the newsletter from our parent organization MARC in CA. You are also welcome to join their email list if you so desire.

We look forward to seeing you on some of our organized events and activities.

For all group rides we use 144.37 MHz Simplex for bike to bike communications. If you have a mounted radio, we recommend that you program this frequency into memory.

Please send completed application form and check for \$20 (U.S. Funds Only) to the address below.

All dues payments should be sent to the address below no later than February 10th of each year.
